I. Evaluation Overview

Skill Selection

1. There are 22 skills that may be tested during the Virtual Skills Evaluation, of which only 5 will be chosen. These skills can be broken down into the following categories:
 - a. Hand hygiene (1 skill)
 - b. Measurement skills (5 skills)
 - c. Additional skills (16 skills)
2. **Appendix A** provides a comprehensive list of the skills and the steps to successfully complete each.
 - a. A **bolded** step indicates a Critical Element Step, which must be performed correctly in order to pass the skill.
 - b. If the Candidate leaves out a Critical Element Step, or does not perform a Critical Element Step correctly, they will not pass the skill.
 - c. The Candidate must also correctly perform a majority of the steps to meet the passing standard for each skill.
 - d. If the Candidate performs only the Critical Element Step correctly, they do not automatically pass that skill.
 - e. The RN Evaluator will have the authority to determine if the Candidate passes the skill.
3. For the Virtual Skills Evaluation, the Candidate will be randomly assigned a total of five (5) skills:
 - a. Hand hygiene
 - b. One (1) measurement skill
 - c. Three (3) additional skills
4. The Candidate must successfully complete all five (5) skills to pass the Virtual Skills Evaluation.

Structure of Evaluation

1. The Evaluator will first assess internet connectivity and sound level.
 - a. The Candidate *may* be required to wear a microphone so that the Evaluator can clearly hear the Candidate.
2. Before testing begins, the Evaluator will inform the Candidate that the exam will be recorded.
 - a. The Candidate's Virtual Skills Evaluation will be recorded for quality assurance purposes.
3. The Evaluator will provide the Candidate with a list of the randomly selected skills to be completed.
 - a. The Proctor and Candidate will repeat the selected skills out loud to ensure the Candidate has the correct list.
 - b. The Candidate should perform the skills in the order they were provided.

4. The Candidate has **30 minutes** to perform the selected skills.
5. The Evaluator will announce when there are five (5) minutes remaining for the exam.
6. If the Candidate makes a mistake or forgets a step in the skill, the Candidate should tell the Evaluator what correction is needed. The Candidate should then perform the step(s). They will not have to redo the entire skill, just the steps they want to correct.
7. If the Candidate wants to correct a step that is required to be done in a specific order, and they fail to identify the order correctly, they will not get credit for the correction.
8. Once the Candidate begins a new skill, they cannot go back to correct the skill that came before it.
9. No assistance or prompting will be provided by the Proctor or anyone at the facility.
 - a. If extensive eye contact is observed between the Proctor and the Candidate, or the Proctor is heard providing prompts or assistance to the Candidate, the evaluation will stop, and the Candidate will fail the evaluation.
 - b. If the Candidate verbalizes the results of the measurement skill prior to documenting the results, this will be considered communication and the Candidate will fail the skill.

Please refer to Appendix A for a breakdown of each skill.

II. Proctor & Facility Honesty Policy

The University of Georgia's Institute for Disaster Management strives to maintain the integrity of the Virtual Skills Evaluation Program, and to ensure that each Candidate receives an honest and unbiased evaluation process. The *Proctor & Facility Honesty Policy* provided in this handbook outlines appropriate testing guidelines and conduct in the Virtual Skills testing environment. Such guidelines include: no communication between the Proctor and the Candidate, the Proctor cannot see the Candidate's measurement results before recording their own results during the measurement skill, and any individual present during the evaluation (i.e., Candidate, Proctor, Evaluator, Volunteer), is required to report any observed violations of this policy. Each Proctor is required to sign the *Proctor & Facility Honesty Policy* on an annual basis to ensure commitment to the integrity of the Virtual Skills Evaluation Program.

Any suspected or observed violations of the policy may be reported using the following link:

https://ugeorgia.ca1.qualtrics.com/jfe/form/SV_1AgevLKMCKIHfGS.

Please refer to Appendix B for a copy of the Proctor & Facility Honesty Policy.

III. Scheduling

Any party interested in a Virtual Skills Evaluation should contact CNAtesting@uga.edu. The Virtual Skills Evaluation will be conducted via Zoom.

1. All Candidates must complete all fields in the registration form by 10:00 am the business day prior to the testing date.
2. Each Candidate will receive a confirmation email with their chosen time.

IV. Cancellations

If a Candidate wishes to cancel or reschedule their Virtual Skills Evaluation, they must contact CNAtesting@uga.edu as soon as possible. Cancellation may be requested for any reason.

V. Day of Testing

Candidates should arrive at the testing location at least **30 minutes** prior to their assigned testing time. The scheduled time will be for one (1) hour.

- a. The Candidate should wear slacks with a loose, comfortable shirt/blouse with short sleeves and closed-toe, non-skid shoes.
- b. The Candidate will be required to present a valid government-issued photo identification. The ID will be shown to the camera for verification and the Proctor will compare and attest to the identity of the Candidate.

Please refer to Appendix C for a Day of Testing Checklist.

VI. Evaluation Results

1. Following completion of the Virtual Skills Evaluation, the Candidate will receive an automated email that indicates their overall score (Pass/Fail).
 - a. Authorized facility points of contact will also receive a copy of the Candidate's results.

2. The results of the Virtual Skills Evaluation will be communicated to Alliant on behalf of the Candidate.
3. Candidates who would like additional information regarding their evaluation (such as which skills and/or steps they may have failed) should contact CNAtesting@uga.edu.
4. In the event of a Fail, Candidates should coordinate either with their authorized facility point of contact or contact CNAtesting@uga.edu to register for another attempt.
5. Candidates who wish to appeal the results of their evaluation for any reason should follow the appeals procedure.

CNA Virtual Skills Evaluation Results

UGA Virtual Skills Evaluation <qualtrics@uga.edu>

To: You

Congratulations! You have passed your Virtual Skills Evaluation. The result of your test will be sent directly to Alliant.

VII. Appeals Procedure

1. If a Candidate desires an appeal of the results of their evaluation for any reason, the following steps should be followed:
 - a. Contact CNAtesting@uga.edu, indicating an appeal with an explanation for the requested appeal.
 - b. This must be completed within **30 days** of the date of the evaluation.
 - c. The review process will then be conducted within the following 30 days.
 - d. After the review process, the Candidate and training program director will receive the decision via email.

VIII. Potential Interruptions with Testing

Please be aware, potential interruptions may occur. These include an Internet issue, illness, facility emergency, or interruption of testing by the Evaluator, Proctor, or Candidate. The Proctor has guidelines on troubleshooting any

Internet issues and dealing with potential interruptions. Please ask your Proctor for more information as needed.

Appendix B: Proctor & Facility Honesty Policy

This document outlines the Proctor & Facility Honesty Policy for Virtual Skills Evaluations conducted at **[Facility Name]** as part of the Virtual Skills Evaluation Program conducted by the University of Georgia Institute for Disaster Management. The purpose of this policy is to maintain the integrity of the testing environment and to ensure a fair and unbiased evaluation process for all candidates. By signing below, the Proctor acknowledges and agrees to abide by the guidelines set forth in this policy.

1. Communication with Candidates:

- a. All other parties in the room, including the Proctor, the Volunteer, or The Proctor's Assistant, are strictly prohibited from engaging in any form of communication with the Candidate during the virtual skills evaluation.
- b. This prohibition includes, but is not limited to, verbal communication (e.g., encouragement, prompting, reminders) as well as non-verbal communication (e.g., hand gestures, prolonged eye contact).
- c. Communication by the Volunteer pertaining specifically to acting as the Client or the Patient during the skill is permissible. Such communication must not contain any prohibited information to the Candidate.
- d. Any prohibited communication, intentional or unintentional, with the Candidate during the evaluation will result in an automatic failure for the Candidate.
- e. Repeated violations of this policy may result in further disciplinary action, including, but not limited to, suspension or termination of their role in conducting virtual skills evaluations at the Facility.

2. Measurement Skill Reporting:

- a. The Proctor is strictly prohibited from seeing the Candidate's reported results for the selected Measurement skill prior to the Proctor recording their results of the skill.
- b. If the Candidate verbalizes the results of the measurement prior to documenting, this will be considered communication and the Candidate will fail the skill.
- c. If the Proctor sees the Candidate's reported results for the Measurement skill prior to recording their own results, the Candidate will be given an additional Measurement skill to complete at the end of the evaluation.
- d. Repeated violations of this policy by the Proctor may result in further disciplinary action, including, but not limited to, an automatic failure for the Candidate or suspension or termination of their role as a Proctor in conducting Virtual Skills Evaluations at the Facility.

3. Reporting a Violation:

- a. Any individual present during the evaluation, including the Candidate, the Evaluator, the Proctor, and the Volunteer, are required to report any observed violations of this policy during the Virtual Skills Evaluation.
- b. The reporting party must promptly document the violation by completing the "Report an Issue" form provided in the Virtual Skills Evaluation Manual.
- c. Documentation should include the date and location of the evaluation, details of the alleged violation, and any other relevant information.

4. Resolving Matters of Alleged Violations:

- a. Upon receipt of a violation report, at least two members of the UGA Virtual Skills Evaluation team will independently review the recording of the Virtual Skills Evaluation to determine if there is conclusive evidence to validate the report.
- b. The UGA Virtual Skills Evaluation team will meet to review the allegations and determine the appropriate sanction(s), if any, in compliance with this policy.
- c. The Facility and the Proctor will be notified of the reported violation, the results of the investigation, and any sanctions that may be assigned.

5. Confidentiality:

- a. Reasonable efforts shall be made to protect the identity of the reporting party.
- b. The identity of the reporting party shall be shared within the UGA Virtual Skills Evaluation team only as required to investigate and address the alleged policy violation(s).
- c. The identity of the reporting party shall not be disclosed when notifying the Facility and Proctor of the reported violation.
